

ACCESSORIES

A full array of designer finishes to further personalize your therapeutic experience.

NEW chromotherapy lights

Chromotherapy's powers have long been revered in the healing traditions of India, China and Greece. Each color corresponds to a vibration with its own wavelength and rhythm, leading to increased physical, psychological, and emotional wellness.

Our new mini mood lights are available across the full color spectrum, with a round stainless steel flange.

aromatherapy reservoir NEW

Aromatherapy stimulates and reinforces our bodies' natural defenses, inducing a state of relaxation and general well being into the central nervous system. Our aromatherapy reservoir is designed to disperse natural plant extracts in the form of essential oils. Available in polished chrome or white.

NEW white tub surround

With our new contemporary tub surround, almost any rectangular bathtub can be a freestanding tub. Complements any interior design with its pure lines and impeccable craftsmanship. Available in sleek, glossy white. Sizes shown below.

60 x 32"	66 x 32"	72 x 32"
60 x 34"	66 x 34"	72 x 34"
60 x 36"	66 x 36"	72 x 36"
60 x 38"	66 x 38"	72 x 38"
60 x 40"	66 x 40"	72 x 40"
60 x 42"	66 x 42"	72 x 42"

An innovative way to transform a drop-in tub into a sculptural, freestanding bathtub

NEW remote control

Our new, completely waterproof remote control is ergonomically shaped, lightweight, and fully submersible. The remote attaches to the side of your bathtub with strategically placed magnets for effortless access, eliminating the need for a static control pad.
